It takes hard work and determination, but the rewards will astound you."When people feel like they belong to one another, when they feel cared for, and they believe that the vision is worth sacrificing for, they will go the extra mile for the company," the author writes. This is true community, and it's at the core of today's most successful companies.Business leaders often tell their people, "We're all in this together," but very few follow through on this sentiment. Separate yourself from the pack by implementing the simple but profoundly effective methods in this book. When people feel they're part of something bigger than themselves, they're more collaborative, creative, and innovative-and this will always drive organizational success. Everyone wins in The Power of Community.
